

SUMMER AT WASATCH

Academics | Activities | Adventures

Summer 2024

Explore something new

Summer at Wasatch Academy offers students **12-18 years old** an opportunity to connect with the outdoors and learn alongside peers from different backgrounds and nationalities. Students develop friendships with others from around the world and experience boarding school life on our beautiful Wasatch Academy campus.

Academically, they gain classroom credits while developing confidence in their learning skills in an environment designed to help them thrive. All classes are taught by the same Wasatch Academy faculty that teach during the school year.

Summer Experience

SUNDAY, JULY 7 - SATURDAY, AUGUST 3

Over the course of four weeks, students can earn academic credits. When not in class, they experience Utah's amazing outdoors, visit national parks, swim, hike, play sports, and much more.

Cost: \$8,875 - four weeks

Summer Dash

SUNDAY, JULY 14 - SATURDAY, AUGUST 3

Strengthen your student's academic skills in a three-week session brimming with learning and outdoor fun. Peak your students curiosity by sampling the many different classes and activities!

Cost: \$6,650 - three weeks

Academics in the summer

Summer at Wasatch is a blend of academics, activities, and adventures. Students can earn transferable academic credits when attending the four-week summer experience. Teachers provide one-on-one time, developing individualized plans to meet each student in their learning, and encouraging intellectual curiosity. Students broaden personal horizons and emerge feeling better prepared for the academic year ahead.

Whether your student takes an advanced class, makes up for some missed work, or strengthens their study and organization skills, Wasatch Academy offers a variety of academic classes.

SAMPLE OF COURSES OFFERED

Algebra I, II
Ceramics
Digital Audio
English I-IV
Equestrian
Geometry
Global Studies
Spanish I, II

ACTIVITIES AFTER CLASS

Each day after classes, students participate in afternoon recreation both on and off our beautiful 35-acre campus. The daily schedule includes structured time for after-school activities every day Monday through Friday. Included are indoor and outdoor activities such as sports, art, music, and more!

Summer at Wasatch Academy encourages students to get involved and try new things.

- **Swimming**
- **Rock Climbing**
- **Open Gym**
- **Equestrian**
- **Tie-Dye**
- **Hiking**
- **Bowling**
- **Golf**
- **Open Music**

ADVENTURES ON THE WEEKENDS

Weekends are a great time to get out of the classrooms and off campus to explore all that Utah has to offer. Students work hard in academics and that's why we prioritize outdoor recreation. We visit state and national parks, amusement parks, play sports, float rivers, and more. We give students as many opportunities to explore new places and activities as we can while they're with us during summer. Utah adventures are all around us!

FIND YOUR ADVENTURE

LEARNING SERVICES

The Leonoff Family Learning Center provides a home for personalized instruction in executive function skills, offering an opportunity for students to develop competencies that will empower them in school and in life. These skills include thinking flexibly, goal setting, organizing materials and ideas, prioritizing, self-monitoring, and self-efficacy. Families receive weekly updates from learning coaches regarding their student's progress.

This program offers two options:

Pair with a Learning Coach (2:1):

Two students work with a learning coach during one of their daily academic class periods to learn strategies to address these essential gaps.

Additional fee: \$1,750 - four weeks

Individual with a Learning Coach (1:1):

Students meet individually with their learning coach for one academic class period per day. This format is for students who benefit from continual attention and support and find it challenging to do their work with another student present.

Additional fee: \$2,750 - four weeks

"I had an amazing Summer at Wasatch experience! The planned activities and bonding with my peers helped me engage socially. Going to a campout, Lagoon, movies, and much more was so much fun! It helped me prepare for when school starts not just academically, but meeting new people along the way made it so much easier to get a good start. I definitely recommend Summer at Wasatch!" —Asha
