

SNOWSPORTS PROGRAM

2023 – 2024

Weekend Recreation

Brighton Resort trips commence in January and are designed for students looking for a program that provides a healthy amount of ride-time for beginners to advanced riders.

Students in the Recreation Program will spend 11 weekends in an on-slope lodge at Brighton Resort. This program leaves Friday after classes and returns Sunday evening. Every student in the program will receive coaching on Saturday and Sunday and still have plenty of free time to ride with friends.

Safety is always a top priority so coaches will evaluate snow and weather conditions as well as rider abilities. Students will identify individual goals with coaches to create a strategy for success.
