

## SPRING BREAK CULTURAL TRIP MARCH 10-25, 2018

In Italy, you can travel through thousands of years of history to witness some of human-kind's most transformative moments. Ancient Roman advances in engineering made the Colosseum possible. At the Duomo in Renaissance Florence, the world took its first steps out of the Dark Ages. And Venice's Grand Canal was at the heart of one of the world's great naval powers.

Your experience includes airfare & transportation, hotels, regional-style meals, guided sightseeing, entrance fees into the various sites, full-time tour director, and expert local guides.

### **Estimated cost: \$4,000**
