

# SPRING BREAK IN GRENADA

Teach Grenadian kids to swim, work with a local government school, learn about another culture, and enjoy the sights!

## Teaching Swim Lessons

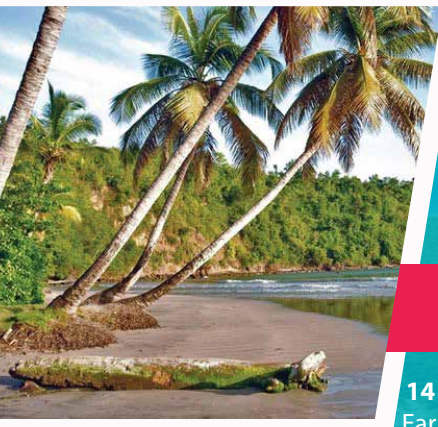

Over the course of the 14 days, swim lessons will be taught to 3 to 4 different groups of local Grenadian kids. In all, 60-80 kids will get lessons.

## Limes Government School

The Limes Government Pre-School resides in a poorer section of Grenada and has approximately 72 children from 3 to 5 yrs old. We will provide swimming lessons and visit the school to read with the kids, play games, and run sports activities on the nearby field. Community service projects may include painting, cleaning up the playground, and construction projects.

## Activities

Enjoy snorkeling, hiking to various destinations such as Mt Carmel Falls and the Seven Sisters, visiting museums, beach time, watching turtles, High Wire Grenada Ropes Course and more!

## MARCH 10-25, 2018

**14 Days in Grenada Cost: \$3100**

Earn approximately 25 hours of community service  
50% Deposit by December 15th - \$1000 deposit for airfare
