

KINO BAY SPRING BREAK

MARCH 10-25, 2018

SPANISH INTENSIVE, MARINE BIOLOGY & CULTURAL IMMERSION

The Kino Bay Center is located within the Kino Bay community and is very engaged with not only the local community but also the indigenous Seri community in the region. The field station is an ideal place to get involved with the social, economic, and cultural themes of the region in an intimate and well-structured environment.

- ✓ Hone your Spanish with top quality instruction and homestays!
- ✓ Engage with Prescott College's experiential, field-based learning style!
- ✓ Interact with the local Kino and indigenous Comcaac (Seri) communities!
- ✓ Enjoy a boat day.
- ✓ Explore the amazing biodiversity of the Sea of Cortez!
- ✓ Explore estuarine environments.
- ✓ Study the geography and geology of the Gulf.
- ✓ Learn the effects of the moon and sun on the tide.
- ✓ Earn up to 20+ community service hours.
- ✓ Enjoy incredible community activities with renowned scientists, local fisherman, playful sea lions, elementary school ecology clubs, Seri elders, and much more!

Two weeks in Kino Bay: \$3,100 (transportation included)

Deposit due by Thanksgiving (November 23, 2017)
