Experience Interactive, Personalized Academics

The Wasatch Academy summer program allows students from around the world to participate in an interactive, intensive learning environment in small classrooms with an individualized teaching approach. Our summer program is for students seeking a truly personalized, one-on-one learning approach coupled with a whole lot of fun.

Explore Something New This Summer

Mt. Pleasant Utah is the ideal place to spend the warm summer months while away from home. Wasatch Academy summer programs empower students to develop academically, socially and morally. Students will benefit from the combination of program offerings, outdoor activities and our tight-knit community. Students finish a fulfilling summer with a renewed sense of confidence in their abilities, their creativity and their individuality.

Your day and weekend at Wasatch Academy's Summer Program

Your day begins with a fresh breakfast surrounded by new friends from around the world. Hop on over to class by 9:00 am. Find yourself immersed in exciting learning projects in classes and subjects you were able to select and customize.

You gain new ideas and creativity as you engage in personalized classroom activities. With each class, and with each teacher, you feel a renewed confidence in your abilities and learning.

At 3:00 pm you shut down the computer and close your books. *What adventure awaits you today?* You could pump your muscles on the indoor climbing wall. Or enjoy the fragrant pines on a hike in the mountains. Perhaps today it is soccer or a visit to the zoo, or watching playful penguins splash at the Living Planet Aquarium.

At Wasatch Academy there are new adventures every day. On weekends Arches National Park, Zions National Park, Canyonlands National Park, and many more world-class destinations surround Wasatch Academy. Weekend recreation trips take your breath away with beauty and excitement. Your body, mind, and spirit are revived for the next exciting week of learning.
